

Research Skills Training for Campaigning with *Corporate Watch*

10 am - 4 pm, Friday 31st July

Unison Scotland

14 West Campbell Street, Glasgow

Join us at free, all day research skills training event run by [Corporate Watch](#) for Scotland based community organisers.

You will learn skills to help your campaign organise more strategically:

- Practical methods for investigating organisations/companies, their structures, and hidden subsidiaries.
- How to find information on weaknesses and pressure points that you can use for campaigning.
- Understand how to use financial data and carry out power mapping to target key players.
